WHOLESALE CATALOGUE

## EVERGREENS

GROWN BY

**D. HILL, Evergreen Specialist**

Long Distance 'Phone No. 6

**DUNDEE, ILLINOIS**

In presenting to my friends and patrons this my Thirty-Second Annual Trade List I wish to tender my sincere thanks for your patronage.

You have made possible the growth of my Evergreen Nursery from half an acre to nearly Two Hundred Acres. My aim in the future will be to serve you more faithfully, if possible.

Terms of payment to known, reliable parties, June 1st. UNKNOWN patrons, **cash or bank reference required.**

**C. O. D. orders must be accompanied by one-half cash.**

Remittances can be sent as follows at my risk: Draft on Chicago or New York, Post Office and Express Orders and Registered Letter. Do not send money in an ordinary letter without registering.

Trees furnished: Five of a size and variety at 10 rates; 50 at 100 rates; 500 at 1,000 rates, etc.

Packing moss in abundance. The work of packing is done by men of long experience and in a workmanlike manner and for which I charge only for the material used.

No charge for delivering shipments to freight or express office, after which they are at the risk of the purchaser.

Orders should be plainly written on a separate sheet from letter, with shipping directions—**freight or express.**

### EXCELLENT SHIPPING FACILITIES.

My nursery is located on the open prairie, forty-five miles northwest of Chicago, on the C. & N.-W. R. R., in direct communication with all parts of the United States.

### SPECIAL TO NURSERYMEN AND DEALERS.

This list will only be sent to those in the trade. For the past thirty-two years I have made a specialty of growing Hardy Evergreens from seeds. My trees are all healthy and well grown; will be well assorted and packed by men of long experience to travel long distance with safety. While my prices will be found lower than most reliable establishments, I am confident that my trees will be equal to the best and superior to most. Certificates of health will accompany each shipment.

Correspondence solicited.

Office of the Illinois State Entomologist.

Urbana, Ill., Sept. 21, 1906.

This is to certify that the growing Nursery stock and premises of THE DUNDEE NURSERIES (D. Hill), situated at Dundee, Ill., have been inspected by Eugene V. Bronson, a duly appointed inspector of this office, according to the provisions of an act to prevent the introduction and spread in Illinois of the San Jose scale, and other dangerous insects and contagious diseases of fruits, approved and in force April 11, 1899, and that no indications have been found of the presence of the San Jose scale or other dangerous insect or plant disease.

This certificate applies only to the condition of this nursery for the period ending June 1, 1907.

S. A. FORBES, State Entomologist.
